We are Proud of You

Kaitlyn McGill, a Year 12 student, has this week competed in the 2018 FEI World Dressage Challenge. Countries are split into Zones to give young riders, without financial ability to travel overseas, a taste of international competition. Australia is in Zone 8, alongside New Zealand, Hong Kong, Chinese Taipei and South Africa.

Kaitlyn placed 3rd of 11 Australian competitors. With other countries yet to compete, the final international results will be published in January. From Thursday onwards, Kaitlyn is competing at the Australian Dressage Championships in the CDI-J class (“Concours de Dressage International” - International Dressage Event [for Juniors]).

Providing Kaitlyn’s horse “Flowervale Sancierra” passes the Fitness Inspection on Thursday, they will compete in the Team Event on Friday, again for Australia; the Individual Event on Saturday; and finally on Sunday the Freestyle Event, where the rider choreographs their own dressage test to music. The horse and rider combination with the highest average score across the three days will claim the 2018 CDI-J Championship.

Kaitlyn, is pictured on Flowervale Sancierra and the second photo is Kaitlyn with judges Kerry Swan-Bates from Tasmania and Susan Hobson from New Zealand on the right.

YEAR 7 REPORT

Andrew Stock

Discovery

It has been another big week of learning in Year Seven. In Discovery, students have been working with negative numbers and investigating the properties of different states of matter. In Steps, students have been learning about economics and creating imaginative poems. Here are some examples of their haikus:

Stranded – Ronald Kong
Middle of no-where
All alone, feeling perplexed
Adrift in my thoughts
Christmas – Jade Scott
Glowing star shining
On top of the tall pine tree
Underneath, presents

Friendship - Lily Wilson
Friends, almost 8 years
There for each other like no other
Through blood, sweat and tears

Activities Week
This week students have received the program for Activity Week. Activity Week runs from Monday 10th to Friday 14th of December, and is a fantastic way to celebrate a successful year at Sale College. Please take some time to go through the program. Activity selection sheets and payments (if applicable) are due in to the front office by Thursday 8th November.

Uniform
Please remember that full school uniform is required for all students at Sale College, regardless of the weather. Please ensure that students have a white polo shirt, black pants (not tights/leggings) or shorts, and black shoes. With the warmer weather increasing, students are encouraged to wear a hat during recess and lunchtime, although they are reminded that hats should be left in lockers during class time. Sunscreen is also available at offices for student use. All students are encouraged to bring a water bottle to school and bring them to class. This minimises disruptions to learning as students don’t need to leave the room to get drinks, while ensuring students remain hydrated.

- Miss Welfare

YEAR 9 REPORT
Kate Rabbetts

Week 2
Being only the second week of Term 4, keep in mind that there are 5 weeks left in the school year so be mindful of others and be respectful to make this remaining time a pleasant one.

Showing Respect for Others
Just like with yourself, when you demonstrate respect for others, you give value to their being and ideals. Also, you’ll make someone feel good by granting them respect, provided, of course, that it’s something that they deserve.

One of the best ways to show respect for someone is to listen to another’s point of view. We’ll not always agree with one another on every topic (and you should never adopt a point of view with which you do not agree with), but we should allow each other to have and express our views – regardless of whether we agree with them or not.

“To be one, to be united is a great thing. But to respect the right to be different is maybe even greater.”
-Bono

Keep this in mind:

There’s nothing wrong with affording some people greater respect than others. You should be kind and polite to everyone – no question about that. So, always be kind, polite and afford a basic level of respect for your fellow man.

- Ms Elgueta

YEAR 10 REPORT
Steve Dunning

Well Done!
Congratulations to Ryan Bradley and Jake Wynd who have recently returned from National Carnivals where they represented Victoria in polo cross and cricket respectively. It is fantastic to see Sale College students participating in their chosen sports at an elite level. Congratulations to both boys on their efforts to date and we look forward to what will no doubt be very successful futures for the two of them.

YEAR 12 REPORT
Faya Mrad

Year 12 News
Year 12’s will have their final week of official classes next week. They have their ‘Celebration Day’ on Friday October 26th. Following this their teachers will be available to assist them in the lead up to their
exams and students are encouraged to make the most out of this time.

As exam time draws closer and revision ramps up for the final sprint, it is important that students take some time to plan their revision to make the most of their time.

**Practice active revision** – create study groups, make flashcards, complete practice exams and mark them against the assessor reports or write your own exam questions. These are just a few suggestions, but there are many different ways to actively test your knowledge in preparing for exams.

**Revisit your unit outcomes** – go back and revisit your key knowledge dot points for each unit, this can help you create focused revision notes for your exam.

**Look after yourself** – study hard and study smart but make time for a walk, hanging out with family/friends, eat healthy and most importantly get plenty of sleep! Take part in some enjoyable activities to help reduce your stress levels in the time leading up to the exam. If you need extra support – reach out, to your teachers, friends or family.

**Be prepared** – ensure you have double checked your exam timetable and the VCE Navigator to see what equipment to bring into each exam. Have all of your exam materials ready. Remember, no phones, smartwatches or fitness trackers allowed and only clear pencil cases and water bottles.

**Take a deep breath and have confidence in yourself** – don’t stress about things you think you do not know. Focus on the task ahead and have confidence in what you do know. Take a deep breath, you’ve got this!!

Students will sit their first written exam (English) on Wednesday October 31st.

The Year 12 **Valedictory** will be held at the **Wedge on Wednesday 28th November** at 6:30pm. Tickets are now available from the Macalister front office for $20.

**MUSIC REPORT**

**Sallyanne Barclay**

**Music Gala**

On Tuesday 16th October, 80 students and the music staff gathered at the WEDGE for a long day of setting up, rehearsing and sound checking. We had students ranging from Year 7 through to Year 12, students who have been playing their instrument for a few months to students who have been playing for 10 years. It was wonderful to watch all of the students supporting each other through their nerves and excitement. After a full day of rehearsing we all had some pizza and then got ready for the big performance. Every student performed incredibly well and the audience loved it. Every student should be

very proud of what they have achieved. Thank you to the stage hands, music staff and the students.

Bairnsdale Secondary Workshop
Wind and Percussion students will be participating in a workshop with the Bairnsdale Secondary Intermediate Concert Band on Wednesday 24th of October during lunchtime and Period 4. They will be playing through some easy concert Band arrangements. All Wind and Percussion students will be expected to participate. Any students from Macalister that would like to attend will need to let Miss Barclay know and she will organise transport for them.

WELLBEING REPORT

MOBILE SCHOOL DENTAL SERVICE
School Dental Clinic – Medicare Dental Benefits Schedule

School Dental will be visiting Sale College Guthridge Campus from the 7th November to provide dental check-ups and treatment for students. This service is bulk billed for eligible students under the Child Dental Benefits Schedule.

To be eligible for dental treatment coverage you need to be receiving a payment from the Australian Government.

School Dental will check eligibility when your child’s Dental Form has been returned and advise parents who are unsure if they are able to have their child’s treatment bulk billed through Medicare. Students who may not qualify for treatment coverage under this dental scheme, can be seen as private patients and will be billed at a rate LOWER than Medicare dental rates. (This may also be claimable under your private health insurance).

Your child will receive the highest quality dental treatment from the dental team, all of whom are police and working with children certified. State of the art equipment is used to make your child feel more relaxed and make their visit more pleasant.

In order for your child to be seen by the School Dental Van, parents must complete and return the Dental Consent Forms to the school signed by a parent or guardian by Friday 19th October 2018 at the latest. Forms are available at the School Office.

School Dental cannot see your child if the Dental Consent Forms have not been completed correctly.

CAREERS REPORT
Dimity Russell & Levinia Olsen

Bakers Delight
Casual position available in customer service
Suit 15 to 17 year old
After school and weekend work.
Please take your resume to NARELLE at Bakers Delight Sale

Aircraft Line Maintenance Traineeships- East Sale
Positions commencing January 2019
On the job training
All PPE provided
In partnership with AGA, Hawker Pacific is seeking motivated individuals to undertake an Aircraft Line
Maintenance Traineeship, based at RAAF Base East Sale. Hawker Pacific is a leading integrated aviation solutions provider, including the Australian Defence Force.

As an Aircraft Line Maintenance Trainee, you will perform a range of specified maintenance tasks on aircraft. The successful candidates will work full time for 24 months and gain valuable hands on work experience at the Hawker Pacific PC-21 Maintenance Organisation whilst undertaking a 'Certificate II in Aircraft Line Maintenance'. Successful candidates will commence January 2019.

Duties include:

- Carry out flight servicing activities including inspections, refuelling and ground handling for a fleet of Defence aircraft
- Remove and install aircraft components in a flight line environment
- Perform basic hand skills, standard trade practices and fundamentals in aviation maintenance
- Interpret and use aviation maintenance industry manuals and specifications
- Apply quality standards applicable to aviation maintenance processes

Requirements: A high mechanical aptitude and strong work ethic
- Ability to work safely and effectively in a team environment
- Genuine interest in Aviation

Trainees will:
- Work full time (38hrs per week)
- Attend accredited RTO/TAFE training
- Receive ongoing mentoring & support
- Receive a weekly wage including entitlements
- Obtain personal protective equipment

If you have a keen interest in Engineering & Mechanical systems, are self-motivated, have a willingness to learn and a good work ethic then we want to hear from you!

Please note that only shortlisted candidates will be contacted directly.

Applications Close: COB Friday 19th October 2018

MACALISTER LIBRARY REPORT

Congratulations to everyone that helped complete this Batman jigsaw at the Mac library.

The next one is already on the go and please feel free to come into the library, sit down and add a few pieces. A great way to relax if feeling a little stressed from all that study!

GUTHRIDGE LIBRARY REPORT

Book Returns

The library is offering a prize to students who return all their books before the end of term 4.

Students will go into a draw to win a double pass and popcorn to a movie of their choice.

See your Librarian for details.
