

Sale College

First Aid Policy

Help for non-English speakers

If you need help to understand the information in this policy please contact reception at Sale College on (03) 5144 1711.

PURPOSE

To ensure the school community understands our school's approach to first aid for students.

SCOPE

First aid for anaphylaxis and asthma are provided for in our school's:

- *Anaphylaxis Policy*
- *Asthma Policy*

POLICY

From time to time Sale College staff might need to administer first aid to students at school or school activities.

Parents/carers should be aware that the goal of first aid is not to diagnose or treat a condition.

Staffing

The Principal will ensure that Sale College has sufficient staff with the appropriate levels of first aid training to meet the first aid needs of the school community.

Our school's trained first aid officers are listed in our Emergency Management Plan (EMP). Our EMP includes the expiry dates of the training.

This list is reviewed at the start of the school year after staff first aid training in December each year and then again as part of the annual review of our Emergency Management Plan.

First aid kits

Sale College will maintain:

- A major first aid kit which will be stored in the sick bay at the Macalister Campus and the sick bay at the Guthridge Campus.
- Sale College Guthridge Campus has 4 portable first aid kits which may be used for excursions, camps, or yard duty. The portable first aid kits will be stored:
 - In the Administration office store room at the Guthridge Campus.

- Sale College Macalister Campus has 4 portable first aid kits which may be used for excursions, camps, or yard duty. The portable first aid kits are stored:
 - In the Administration office at the Macalister Campus (2 kits for camps excursions / 2 kits for outdoor ed / sports)
 - Sale College Macalister Campus has 6 First Aid stations.
- Sale College Guthridge Campus has 5 portable first aid kits which may be used for excursion, camps or yard duty. The portable first aid kits are stored:
 - In the storeroom of the Administration office at the Guthridge Campus.
 - Sale College Guthridge Campus has 6 first Aid stations.

First Aid Officer's will be responsible for maintaining all first aid kits.

Care for ill students

Students who are unwell should not attend school.

If a student becomes unwell during the school day they may be directed to student services and put in the sick bay and monitored by staff if required. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

First aid management

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero "000" for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, Sale College will notify parents/carers by a phone call.
- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment has been administered to a student Sale College will:
 - record the incident on CASES21
 - if first aid was administered in a medical emergency, follow the Department's [Reporting and Managing School Incidents Policy](#), including reporting the incident to the Department's Incident Support and Operations Centre on 1800 126 126.

In accordance with guidance from the Department of Education and Training, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school’s website.
- Included in staff induction processes and staff training
- Hard copy available from school administration upon request
