YEAR 7 NEWS

Brittany McIntosh

Year 7 Coordinator

MAY IS A MONTH where we never seem to have time to catch our breath. Especially during a shorter than usual term.

NAPLAN has dominated this week with the whole year level completing NAPLAN on computer. There has been glitches, timetable, and room changes, adapting to strict test conditions and a bit of testing fatigue. Throughout all this our students have displayed resilience, flexibility, patience, and tolerance to make this week a success.

Tuesday 17th will be our SEAL 2023 Information Evening and Thursday 19th the Grade 6 Transition Day. During the transition day most of the year level will enjoy learning activities off campus. We are grateful to the volunteer students who will stay at school and support the transition day.

GPAs and conducting CATs (Common Assessment Tasks) will take place during weeks six and seven of this term. It is important for all students to keep up with their studies.

Congratulations to last week's Values Award Winners. Respect: Estelle Zdrazil, Achievement: Cooper Webster, and Belonging: Iesha Pepper. GPA improvement awards, Emily McGrath, Kiri Riley-Attard, and Stephanie Williams. GPA excellence awards, Nate Curnow, Ella Holliday, Charlotte Hopkins, Milly Love, and Bailey Osborne. Term 1 Star Chart winner, Ariana O'Connor. *-Mr Pattie*

WHAT A BUSY 3 WEEKS IT HAS BEEN IN YEAR 9 THIS TERM!

We have just finished up NAPLAN testing this week, and I would love to take this opportunity to thank and congratulate each student for participating in testing this week. We have had numerous technical issues across the week and our students have been so patient and flexible with getting the new systems up and running, so thank you again!

As a reward for their hard work at NAPLAN, next Thursday (19th of May), we have organised for all Year 9 students to spend the day at Tarra Bulga National Park to participate in a bush walk with their friends and get out into nature and fresh air. Please go to Compass to provide electronic consent or contact the school for further assistance.

As we approach into winter, we would like to remind students that hoodies under their school jacket are not accepted as school uniform. As an alternative, long sleeves and jumpers without hoods are accepted. Parents can order new school uniform from the uniform shop.

YEAR 12 VISUAL ARTS - MELBOURNE EXCURSION

Year 12 Art, Year 12 Visual Communication Design and Year 12 Media visited Melbourne CBD as a group to view the 'VCE Season of Excellence' exhibitions for 2022. Each subject within visual and performing arts can participate in the VCE season of excellence, all of the practical based subjects have a relevant showcase exhibition that they can enter and exhibit in if they meet all of the criteria. This is a very selective process and will display the best works produced in the previous year by VCE students.

Our group left early Friday (6/5) morning and returned that same night. This included visiting the NGV to see 'Queer', Ian Potter centre to see 'Top Arts', ACMI to view 'Top Screens' and finally, Melbourne Museum to see 'Top Designs'. The entire trip was a really great experience for all of our Visual Arts students who were able to attend as they were able to see some excellent examples of work in their subject areas, and get to know Melbourne a little better at the same time.

For more information about the VCE season of excellence you can go here -> https://www.vcaa.vic.edu.au/news-and-events/events-and-awards/season-of-excellence/Pages/Index.aspx

YEAR 12 VCAL – REACH WORKSHOP

This week, (Wednesday, 11th of May) our Sale College Year 12 VCAL (Victorian Certificate of Applied Learning) cohort took part in the REACH 'inreach' program for 1, two hour workshop/session, on site in the conference room at the Macalister campus. Our Year 12 VCAL students engaged in the session without knowing anything about the REACH program before attending the session, but progressively grew throughout the session while participating in collaborative and self-reflection activities together in the workshop. All of our students who attended gained something from this or learned something about one of their peers that they didn't know beforehand.

For more information about the REACH organisation and the work that they do you can go here -> https://www.reach.org.au/

Last Friday our VCAL students held a Mother's Day stall at recess and lunch and sold stock left over from last years online VCAL Market. Over $400 of stock was sold and a special thanks to Robyn Simpson for assisting in the set up and supervising of students.

ELEVATE EDUCATION

Upcoming Webinar for Parents - *Time Management & Beating Procrastination*

We're excited to announce that parents of our school have exclusive access to Elevate Education's Parent Webinar Series this year. Elevate works with our students, delivering high impact workshops on study skills, motivation, wellbeing, and exam preparation. By tuning into their webinar series, you will learn how to better support your children at home through reinforcing the skills they learn at school.

Wednesday 18th May @ 7pm (AEDT) ***Time Management & Beating Procrastination***
REGISTER FOR FREE AT : https://get.elevatecoaching.info/au/schoolwebinar

Here's what Elevate will be covering:

- How to avoid fights over homework and study;
- Strategies to ensure your child is balanced, stress free AND productive;
- The most common causes of procrastination and how to avoid them;
- What types of work the top students prioritise to get top marks.

The webinar is run **live online from 7-8pm (AEDT)** where the presenter will share Elevate's key research and skills, and will conduct a live Q&A so you can ask them questions directly. If you are unable to make the webinar, don't worry! If you sign up to attend, you'll receive the webinar recording on Thursday morning
