POLICY

1. School profile

Sale College, population 829 students, was formed at the beginning of 1996 from the merger of two of Victoria's oldest country secondary schools, Macalister Secondary College (est. 1885) and Sale High School (est. 1907).

Sale is a provincial city of 15,135 people set in the heart of Wellington Shire. It is particularly well endowed with secondary and further educational institutions. Sale College is the only state secondary college in the city.

Sale College seeks to be recognised as a caring community of staff, students, parents and guardians providing excellent programs and services aimed at developing confident students capable of reaching their potential as valued members of the community.

The Macalister Campus, located in the central business district of Sale hosts all Year 10, VCAL and VCE students. The Guthridge Campus, situated on a seven-hectare site located three kilometres east of the town centre, hosts students from Years 7-9.

Sale College provides safe, supportive and secure environments through an effective network of programs and organisational structures. Student management plans focus on positive reinforcement, clearly defined expectations and consequences that encourage students to take responsibility for their own actions.

Sale College prides itself on three core values of respect, achievement and belonging. Everyone is encouraged to ensure these values underpin our day-to-day behaviours.

2. School values, philosophy and vision

Sale College's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, Staff and members of our school community are encouraged to live and demonstrate our core values of respect, achievement and belonging opportunity.

Our school's vision is for the college to be recognised as a highly effective educational leader that strives to deliver high quality outcomes that empower students to reach their personal best, and fully equip them to contribute positively to society as happy, healthy young adults
