PRINCIPALS REPORT

Brendan Staple

College Principal

I AM VERY PROUD OF OUR GRADUATING STUDENTS of 2024 and those students who throughout the journey have left to pursue jobs and further training in traineeships and apprenticeships. We have many wonderful stories of students who have successfully completed their secondary schooling despite a number of hurdles. I would like to thank all the staff and families who have supported our students throughout their time at Sale College.

Congratulations to our
2024 Dux

END OF YEAR HIGHLIGHTS: GRADE 6 TRANSITION DAY

As we wind down to the end of another successful year, we were excited to host our Grade Six students for Statewide Transition Day on Tuesday, 10th December. This special day gave our future Year Seven student the opportunity to meet their new teachers and classmates in a welcoming, hands-on environment.

Throughout the day, the Grade Six students participated in a range of engaging classes, including Maths, English, Humanities, Science, Art, LOTE (Languages Other Than English), PE, and STEAM. It was a wonderful opportunity for them to experience the variety of subjects and activities they can look forward to in Year Seven.

The day was a great success, and we are thrilled to welcome these students to our school community in 2025. We look forward to supporting them as they make the transition to secondary school and embark on an exciting new chapter in their learning journey.

Wishing everyone a happy and safe holiday season! On behalf of the Year Seven Team, we hope you all enjoy a well-deserved break, and we can't wait to see our new Year Seven students in 2025.

Middle Years Team Leaders

LAST WEEK, our school welcomed the Melbourne University Science Roadshow. Students had the chance to interact with university students and explore a range of disciplines, including geology, physics, human structure and function, engineering, mathematics, and environmental science.

The event was a great opportunity for students to ask questions, participate in hands-on activities, and enjoy engaging with science in new ways.

CONGRATULATIONS TO ALL STUDENTS FOR making it through another year! Every year has its high and lows and we have loved watching you grow and develop, show resilience and achieve your goals. Have a wonderful and safe holiday and we look forward to supporting you again next year.

VOCATIONAL NEWS

Jaynee Hopgood

Vocational Team Leader

THE VM NUMERACY STUDENTS wrapped up Headstart with some 'edible maths' last week. Teams were chosen, gauntlets were thrown, and the build was on! Challenges included: how to get the icing out of the tube without a blow-out, how to keep the walls from collapsing, and how to keep the roof in place! There were some great creations as well as some impressive collapses, it was great to see the students working together and some creative flair on show.

Well done everyone, wishing you all a Merry Christmas and safe holidays!
